

STAT-PA Drug Worksheet: Brand Name ACE Inhibitors

**This worksheet is to be used by pharmacists or dispensing physicians only!
(NOT REQUIRED FOR PRESCRIBING PHYSICIANS)**

Generic angiotensin converting enzyme (ACE) inhibitors have NO RESTRICTIONS as to either diagnosis codes or prior authorization (PA). As with all innovator drugs, prescribers must write "Brand Medically Necessary" on all hard copies of the prescriptions and on each new nursing facility order sheet.

In addition to the generic drugs, the following brand name drugs are also available without PA restrictions:
Captopril ♦ Enalapril ♦ Trandolapril ♦ Moexipril

REMINDER: *The Specialized Transmission Approval Technology — PA (STAT-PA) Drug Worksheet is optional. This form is not required, but is provided as a guideline only to access STAT-PA or as provider documentation. The STAT-PA system will ask for the following items in the order listed below:*

Provider Number: _____

Recipient Medicaid Identification Number: _____

Recipient Name: _____

National Drug Code (NDC)/Procedure Code of Product Requested: _____

Type of Service: D Prescriber's Drug Enforcement Administration (DEA) Number: _____

Diagnosis Code: _____ (Use the recipient's *International Classification of Diseases, Ninth Revision, Clinical Modification* [ICD-9-CM] diagnosis code. The decimal is not necessary.)

Place of Service: _____

Date of Service: _____ (The date of service may be up to 31 days in the future, or up to four days in the past.)

Days' Supply Requested: _____

STAT-PA Request Checklist

ALL information must be checked within each category in order to be processed electronically.

- A. Is the patient currently stabilized or being titrated on an ACE Inhibitor other than captopril, enalapril, trandolapril, or moexipril?
1. If yes, approve PA request for up to 365 days.
 2. If no, then ask:
 - a. Has the recipient tried captopril, enalapril, trandolapril, or moexipril and had an adverse drug reaction?
 1. If yes, approve PA request up to 365 days.
 2. If no, return the PA with the following message: "Your prior authorization request requires additional information. Please submit your request on paper with complete clinical documentation."

As the pharmacist, you have learned of this diagnosis or reason for use when:

- ☐ a. The patient has informed you through patient consultation. In most cases, it is possible to learn the necessary information from the patient.
- ☐ b. The physician wrote the diagnosis or reason for use on this form or on a prior prescription order for this drug.
- ☐ c. The physician or personnel in the physician's office informed you by telephone, either now or on a previous occasion.

Assigned Prior Authorization Number: _____

Grant Date: _____ Expiration Date: _____

Number of Days Approved: _____

This is a New Prior Authorization Request: _____

This is a Renewed Prior Authorization Request: _____

Diagnosis Code Description

Choose the most appropriate ICD-9-CM diagnosis. If the diagnosis is not a Food and Drug Administration-approved diagnosis for a particular drug, you must submit the PA request on a paper PA Request Form.
